Provenance Details: Please note that provenance details can be supplied on all plant species.

Contract Growing: Wallum has experience with a large number of plants not catalogued, please contact us for your specific requirements. We can also provide species in 140mm and 200mm pots.

KFT Koala Food Tree

NT Premium: Premium Native Tube is optimum for revegetation and landscaping extra depth (125mm) ensures an industry leading success rate.

L.T. 70mm: Long Tube 70mm provides even more depth optimum for specific species.

M.T. 90mm: Mega Tubes are a superior alternative to traditional 140mm & 200mm pots to reduce lead times.

G.T. Ideal for native groundcovers allowing broad coverage growth and ensures effective root training.
H.C. Hiko cell used mainly for cutting propagated plants.
E.P Ellepot Paper is an eco-friendly, degradable paper that eliminates transplants shock and increases plant quality.

Business Hours: Wallum Nurseries office is open from 7:30 am to 4:00 pm Monday to Friday.
